# OXFORD AMERICAN'S 25<sup>TH</sup> ANNUAL MUSIC ISSUE

We are very excited to announce that the *OA* will be publishing a special 25<sup>th</sup> Anniversary Southern Music issue this December, as we celebrate the power of the Ballad.

Whether it tells a centuries-old tale or showcases a once-in-a-generation voice, a ballad makes an outsized impression. The *OA* will cover it all—Appalachian folk, love-sick R&B, down-tempo Southern Rock, and more.

Balladeers—such as Beyonce, Tom Petty, Roberta Flack, and Bonnie Raitt—each will tell a story in their own uniquely Southern way.

This issue will also include a free collector's CD, along with a selection of specially curated Spotify playlists.

We welcome you to be a part of this special issue which is sure to resonate with the *OA*'s highly engaged audience—one that harbors a true passion for music.
